Welcome to Lighthouse Health Plan’s Medicaid Managed Care Plan

Lighthouse Health Plan has a contract with the Florida Agency for Health Care Administration (Agency) to provide health care services to people with Medicaid. This is called the Statewide Medicaid Managed Care (SMMC) Program. You are enrolled in our SMMC plan. This means that we will offer you Medicaid services.

We care about your health. You can call us if you have a question or need help finding a doctor. Our Member Services team can be reached at 844-243-5176 or TTY 711, Monday through Friday from 8:00am to 7:00pm, ET. You can also go to our website www.lighthousehealthplan.com.

We work with a group of providers to help meet your needs. These providers are in the following counties: Bay, Calhoun, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson, Leon, Liberty, Madison, Taylor, Wakulla and Washington Counties. If you do not live in one of these counties, please call our Member Services team.

This is your Directory of Network Providers

A Network are doctors, hospitals, pharmacies, and other kinds of providers who have a contract with us to take care of you. All providers in this directory were contracted when it was printed. Since the directory may have changed after printing, please check before you visit a provider to make sure your provider is still with the Plan. You can call Member Services at 1-844-243-5176, TTY 711. You can also check on our website at www.lighthousehealthplan.com to see the most current provider list online.

Picking your doctor

You need to pick a Primary Care doctor for you and your family. There are many doctors to pick. You should make an appointment with your Primary Care doctor as soon as you can so your doctor can learn about your health. If you need to see a specialist, you need to see your Primary Care doctor first. Your Primary Care doctor will help you find the right doctor to see.

Some providers will not do some services because of religious beliefs. If there is a change in the services a provider will do, we will let you know in 90 days.

If one of the providers does not want to do a service or send you for a service because of moral or religious beliefs, please call Member Services and we will help you find another Provider.
